EDUCATION

OntarioTech University, Oshawa Ontario
Bachelor of Engineering in Software Engineering

Sep 2023 — Apr 2027

PROJECTS

MeetAlex Portfolio Website | Next.js, React, Tailwind CSS, Vercel

May 2025 — May 2025

- Designed and deployed a responsive portfolio site to showcase professional projects and experience.
- Implemented clean UI/UX with modern React components and Tailwind CSS for styling.
- Structured interactive project sections and resume details to clearly highlight technical achievements.
- Optimized site performance for fast load times, SEO, and mobile responsiveness.

Strength Training Analytics Platform | React 19, TypeScript, Vite, Tailwind CSS

- Built an analytics-focused web application to track, analyze, and visualize performance metrics over time using interactive dashboards and charts.
- Implemented automated calculations and data normalization to ensure accuracy and consistency across datasets.
- Structured reusable components and data-handling logic to present complex data clearly for decision-making and scalability.

EXPERIENCE

Founder & Digital Creator

Mar 2025 — Present

Kudi Kitchen - Oshawa, ON

- Customized Shopify e-commerce platform, modifying CSS and theme components to improve responsive UI and cross-device performance.
- Built and optimized a Shopify storefront serving **1,000+ users**, improving checkout flows and conversion tracking to increase completion rates by **15–25%**.
- Produced and marketed high-retention cooking videos across TikTok/YouTube, achieving consistent engagement.
- Launched and manage an online weight-loss cookbook business combining e-commerce, digital marketing, and content creation.

Wealth Manager (Client Services & Financial Planning)

May 2025 — August 2025

Aegon - Oshawa, ON

- Managed and monitored client investment portfolios, achieving **12–18% average annual growth** through data-driven strategy alignment with client risk profiles and goals.
- Led and coordinated a team of **20+ advisors**, delivering training, motivation, and guidance during business conventions and weekly strategy bootcamps.
- Maintained a **95% client retention rate** by delivering consistent service, clear communication, and timely follow-ups.
- Prepared structured financial summaries and reports while ensuring compliance with internal policies and regulatory standards.

Managerial Intern

Jun 2024 — Jan 2025

WesternBell International Ltd. - Port Harcourt, Nigeria

- Built and deployed the company website and integrated a live chat system, reducing client response time by **50%** and improving communication with partners and clients.
- Supported procurement, inventory tracking, and logistics for **200+ industrial gas cylinders** across enterprise partners, ensuring accurate records and smooth operations.
- Contributed to a **30% increase in new business** by supporting client engagement, contract execution, and operational delivery.
- Traveled internationally for networking and partner outreach, supporting business development efforts and new commercial relationships.
